#### IN MEMORIUM

On Monday, March 31, GSU lost a great friend, Mr. Charles Barr of Matteson. Known as "Charlie" to his friends, Mr. Barr was greatly responsible for the fact that this University is located in the south suburbs. He served generously on the Citizens Committee and had recently been helping Bill Engbretson build a Board of Directors for the GSU Foundation. Mr. Barr died unexpectedly of a heart attack. We extend heartfelt condolences to his family and join them in experiencing a great sense of loss. We will miss Charlie very much.

LESS THAN TWO WEEKS TO GO...and our Dedication thermometers continue to inch upward (Mother Nature, take note!). GSU staff total: \$404; SSAC total: \$808.

**BHE POSITION OPEN...**for student member. The Student Advisory Committee to the Illinois Board of Higher Education is seeking nominations for the student position as a non-voting member of the Board for a term of one year, beginning July 1. Any student in good academic standing, who attends an Illinois institution of higher learning and is a legal resident of this state is eligible. Applications can be obtained from student assistant deans or OTIS LAWRENCE (EAS). Deadline for applications is April 14. All applicants will be expected to attend a meeting of the Student Advisory Committee for an informal briefing and interview. Meeting details will be given on receipt of application. Voting for the student member will be held in May. GSU students are urged to apply.

**POST-DEDICATION PROJECT...**President Engbretson would like someone to work with him on a proposal for federal funding to establish GSU as a National Center for Non-Traditional Study. If interested, contact ESTHEL ALLEN (PO).

**"HOW YOU CAN GET WHAT YOU WANT..."**from the Computing Center" is the subject of an open meeting to be held by the Instructional Computing Committee (ICAC) on Tuesday, April 8 at 9:30 a.m., F1101. Members of the faculty interested in using the computer for instruction, research or any academic use (testing, storing data, etc.) are especially urged to attend. Not for technical discussions on programming or computer science, the main purpose of the meeting is to help faculty members find out what they need to know about instructional computing at GSU. Come and learn what can be done.

**SSAC NOMINATIONS...**students may secure petitions for nomination to the Student Services Advisory Committee in the Office of Student Services, beginning on Monday, March 31. Student representatives from each college will be elected on April 15, 16, and 17. A ballot box will be set up in the gymnasium on these dates to coincide with registration.

**INTERPERSONAL RELATIONS...**for south suburban "single adults" will be the subject of a 3-hour workshop led by TULSI SARAL (HLD) to be held Friday, April 11, 7:30 p.m. at Faith United Church in Park Forest. Focus of the workshop centered on the process by which people can prove and enrich their relationships.

**APPOINTED...**Donald E. Walters, 41, acting provost-director of the Massachusetts State College System, has been appointed executive officer of the Illinois Board of Governors of State Colleges and Universities, effective July 1, 1975. His office will be in Springfield. Dr. Walters, who makes his home in Warwick, R.I., was selected from a field of 128 nominees to serve as principal administrator for the Board.

**FROM BACH...**The Performing Arts Music Series continues Sunday, April 6, 7:30 p.m., as four soloists of the Baroque Festival orchestra present a program of 18th century baroque instrumental works from Bach, Scarlatti, Handel and Corelli. Soloists are: Robert Conant, harpsichordist; Elliott Golub, violinist; Everett Zlatoff-Mirsky, violinist; and Kenneth Slowik, cello and viola da gamba. Their GSU appearance follows their appearance April 5 in Chicago's Orchestra Hall. Those without season tickets may attend by ordering from MARILYN MILLER(CS), ext. 2458. Tickets are \$4 for adults, \$2.50 for students.

**TO BOOGIE...**The 20th century music of "Wilderness Road," a Chicago rock 'n roll band, can be heard April 7, 7 p.m. in a free concert sponsored by Student Services. Playboy magazine describes them as "a successful mix of the 'Grateful Dead' and the 'Rolling Stones'."

**"Howard, come here! It's the first robin."**

**GARDENING REMINDER...**Monday, April 14, is the deadline for submitting requests for garden plots. Contact LEON FENNOY (EAS) ext. 2494.
